Educational Qualifications :-

Degree	Duration	Educational Institution
FRCS (Ophthalmology)	11/2000	Royal College of Surgeons, Edinburgh, U.K.
MD (Ophthalmology)	3/96 – 5/99	R.P. Centre for Ophthalmic Sciences, AIIMS, New Delhi, India
MBBS	8/90 – 12/94	All India Institute of Medical Sciences, (AIIMS), New Delhi, India

Work Experience :-

Designation	Duration	Place of work
Clinical fellow in Paediatric Ophthalmology	1/2005 – 11/2005	Save Sight Institute, University of Sydney, Australia
Clinical fellow in Oculoplasty	2/2004 – 1/2005	Sydney Eye Hospital, University of Sydney, Australia
Senior Resident (Orbit and Oculoplasty)	2/2001- 2/2004	R.P. Centre for Ophthalmic Sciences, AIIMS, New Delhi, India
Casualty-cum-Eye bank Officer	12/99 – 2/2001	R.P. Centre for Ophthalmic Sciences, AIIMS, New Delhi, India
Registrar	8/99 – 12/99	Indraprastha Apollo Hospitals, New Delhi, India
Junior Resident	3/96 – 5/99	R.P. Centre for Ophthalmic Sciences, AIIMS, New Delhi, India
Internship	1/95 – 1/96	All India Institute of Medical Sciences, AIIMS, New Delhi, India

Membership:-

- Life Member, All India Ophthalmological Society (AIOS)
- Life Member, Delhi Ophthalmological Society (DOS)
- Life Member, Oculoplasty Association of India
- Life Member, Rajasthan Ophthalmological Society
- Life Member, Indian Medical Association
- Member-in-training, American Academy of Ophthalmology (AAO) for 3 years
- Member-in-training, Association for Research in Vision and Ophthalmology (ARVO) for 3 years

Clinical Observership :-

- Short observership done during November 2000 in U.K. for Fellowship exam of Royal College of Surgeons, Edinburgh.
- November 2002 and July 2003 at John A. Moran Eye Centre, Salt Lake City, Utah, USA.

Local ophthalmology meeting presentations :-

- Acute proptosis in childhood. Annual Conference of Delhi Ophthalmological Society, April 2002.
- Management of orbital gunshot injuries. Fifth biennial scientific meeting of Sydney Hospital alumni association, July 2004.
- Enucleation, evisceration and exenteration. Oculoplastics and Eye Trauma, Australian & New Zealand Registrars' Conference January 2005, Sydney, Australia.
- Intraoperative Floppy Iris Syndrome. Mid-term conference of Rajasthan Ophthalmological Society, Mount Abu, May 4 2008.

Awards and Honors :-

- Associate Editor of Visiscan, Annual Issue, Journal of Delhi Ophthalmological Society, 1998; Vol 4.
- Awarded a certificate of merit by Central board of Secondary Education (CBSE) for being in the top 0.1% of the merit list prepared by CBSE according to class XII results at All India level, 1990

- Awarded the NTSE (National Talent Search Exam) scholarship given by the NCERT (National Council of Educational Research and Training), after an All India selection, 1988

Surgical Experience :-

Surgical procedures performed independently

- Dacrycystorhinostomy (DCR), lid reconstruction, skin grafting, ectropion, entropion, ptosis, enucleation, evisceration, exenteration, contracted socket surgery including mucous membrane graft and dermis fat graft, amniotic membrane graft, orbital abscess drainage, blepharoplasty, direct brow lifts etc.
- Cataract surgery including topical phacoemulsification with foldable, injectable IOLs and ECCE with IOLs

Surgical procedures performed under supervision

- Lateral orbitotomy, blowout fracture repair, orbital decompression, endoscopic endonasal DCR

Investigative and laser techniques

- Well versed with ultrasound examination of the posterior segment and orbit, Fluorescein angiography (FA), and anterior and posterior segment laser procedures (including Yag capsulotomy, peripheral iridotomy, pan-retinal photocoagulation and macular grid laser treatment).

Extracurricular activities :-

The candidate has been keenly associated with extracurricular activities like dramatics at the local level. The candidate has been involved in script writing, and acting in skits performed on an annual basis for the Foundation day of the parent organization. The candidate was secretary of the Ophthalmic Research Association, an informal organization of over 100 ophthalmologists in AIIMS,

New Delhi. At the school and college level, candidate was also involved in debating, compeering, acting and other such activities.

Medical registrations :- Registered with the Medical Council of India vide registration no. 014486 and with the Delhi Medical Council vide registration no. 7358.
